Wanna make a difference? Nows your chance! I want everybody to click this link and email DuckDuckGo telling them to REPLACE wikipedia in search results with INFOGALACTIC

[Prefilled email](#)

[\[email protected\]](#)

According to Wikipedias own founder Wikipedia is too biased

<https://www.foxnews.com/media/wikipedia-co-founder-larry-sanger-says-online-dictionary-scrapped-neutrality-favors-lefty-politics>

and infogalactic is a much better alternative! And it's more than possible for DuckDuckGo simply replace the Wikipedia at the top of search results with infogalactic!!

If everybody sends them an email they might do it!

Make a difference!!

UH-1. Many good memories in that bird. The N was my favorite model. Advanced enough, twin engine, but still had two blades and that signature wop-wop that speaks to my soul.

Santa's schedule should be free for the 6th. He should join us in DC for free chopper rides. Nancy and Chuck can sit on his lap for the first 1000ft.
